

1946-462

Longitudinal 231

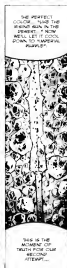

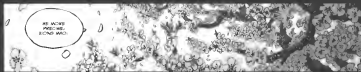

BE MORE
PRECISE,
SECOND WAVE.

THIS WILL BE YOUR
MISTERY ADVANTAGE
AGAINST AN OPPONENT
WITH GREATER STRENGTH
AND REACH

KEEP YOUR
SENSES
SHARPENED

AND YOUR
WITS KEEN

OH OFF,
TOMORROW TRAINING
AT SIX O'CLOCK.
COME WITH FIGHTING
PANS.

BEFORE YOU
LEAVE, I HAVE A
QUEST FOR
YOU, MASTER.

YOU HAVE SOME
SERIAL TON, YOU
CONSTANTLY EXPRESS
YOURSELF WITH THE
NOMINALLY OF A
CUTLER.

I WOULD LIKE
TO KNOW HOW
YOU WOULD
DESCRIBE ME

Like a silver
cutter?

I THOUGHT
YOU WERE
GOING TO
TALK ABOUT
BLADES...

ALL RIGHT, SINCE
YOU WANT TO SCALE
THE SUBJECT—THE
REPAIRS OF A
BLADE APPEAL
EASILY TO PEOPLE.

SOME ARE SWIFT KILLS, AND ALL YOU
NEED IS TO SHARPEN THEM TO MAKE THEM
EFFECTIVE. OTHERS WILL NEVER CUT WELL
BECAUSE THE METAL THEY ARE MADE OF IS
FAULTY. THOSE THAT ARE THE HIGHEST CAN
BEND FOR WIND OR SUPPLEMENTARY AND
THE MOST FLEXIBLE RARELY LOSE THE
ORIGINAL FORM AFTER TOO MUCH
BENDING. THERE WILL ALWAYS BE
EXCEPTIONAL BLADES AND PEOPLE LIKE
YOUR MASTER OR YOUR FATHER, BORN OF
THE GREATEST ARTISANS AND MADE OF
CRYSTAL-PURE ORE.

AND THE BEST BLADES ARE MADE OF
METALS OF COURAGE AND WISDOM,
OBTAINING IT IS THE BLINDING TOOL.
EVEN IF IT PROVIDES INTERNAL
TENSION, ALLOWING CUTTING OR
BENDING ACCORDING TO THE
CIRCUMSTANCES.

YOU ARE WORTH MUCH
MORE THAN YOU THINK.
SO DO YOURSELF A
FAVOR AND ACCEPT
YOURSELF AS YOU ARE.

A LITTLE LESS THAN EIGHT HOURS LATER...

HOLD ON,
OMBRE!

THE HUNTS
IS READY!

WICH-

THE
TEMPERING
BATH!

THINK FIRST
AND HUNT
SECOND LAST!

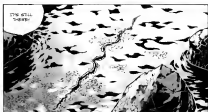

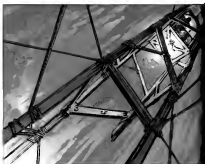

OMBRE, LIFT
HIS HEAD!

Notes and Credits

"Scan, translation, cleaning, and typesetting by the Spectator."
